Ramsey County ss.

On this 7th day of July 1869 before me came personally James Gilfillan to me known to be the President of the Saint Paul Water Company, and D. B. Curtice, and J. T. Holsted to me known to be the surveyors who made the survey for the line of the works of said Company as proposed to be extended, and of the line of said works heretofore located, as such line is proposed by said Company to be relocated, and who made the map of such survey, and the said James Gilfillan President as aforesaid duly acknowledged that the annexed map of Eight sheets numbered from one to eight inclusive of which this is number One, was caused to be made by said Company for the purpose of showing the location of the line of the works of said Company, as proposed to be extended, and also the location of the line of such works heretofore located, as proposed to be relocated, and the lands necessary to be taken for such extension and re-location, and that the same correctly shows the location, and re-location of such lines, and such lands necessary to be taken, and said D. B. Curtice, and J. T. Holsted each acknowledged that they made such surveys and maps for said Company for the purpose aforesaid, and that said map correctly shows the location of the line of said works, as proposed to be extended, and of such line heretofore located, as it is proposed to be relocated and of the lands necessary to be taken for such extension and re-location
