Office of County Auditor Ramsey County
St. Paul Minn January 7th 1861.

By Commissioner Wright. Whereas by order of the Board of County Commissioners certain Government corners have been established and Granite Monuments have been set and guarded and the length of the lines measured, as this work has been done at considerable

cost to the County and are supposed to be as accurate as can be made from the information obtainable, Therefore be it Resolved that the corners thus established and the monuments that have been set by the County Surveyor under said order of this board, is and shall be considered the official corners and monuments and in no case shall these corners or monuments be removed or changed from where they have been established except upon the order of the Board of County Commissioners.

Adopted by full vote of members present.
