Re: Rice Creek Watershed District Long Lake Chain of Lakes  
Improvements Project, Ramsey County Ditch No. 2, Project  
No. 26

Ladies and Gentleman:

Pursuant to the construction of the above referenced project,  
permission to enter Hansen Park is requested. The Contractor  
for the District is prepared to begin work on the Hansen Park  
portion of the project in the near future.

Upon establishment of the new ditch centerline, it is request-  
ed that a permanent easement be granted over the ditch for the  
purpose of access in the event future repair or maintenance is  
required. This easement description will be submitted to the  
City Council of New Brighton for approval after completion of  
the Ramsey County Ditch No. 2 project.

Very truly yours,

E.A. HICKOK AND ASSOCIATES  
Engineers for the District

Michael A. Panzer  
Geological Engineer
