# MONUMENT 313

Found railroad spike, possibly not the correct corner, July, 1974.

Determined coordinate location of monument by locating irons in adjoining plats done by Ray Wolfgram. Bridge deck removed, Minnesota Department of Transportation, (John Sutherland) and I dug for monument, found nothing, May 1, 1987.

Traversed under new bridge and placed 20 in. cast iron monument, that is positioned according to information on adjoining plats to the northwest and southwest done by Ray Wolfgram. Placed sign and post and retied monument, August 7, 1989.

Retied monument, June 21, 2006.
