▶ Land Surveyor, □ Professional Engineer By
M.H.D. FORM NO. 2105

Statement of Evidence:

Witness to Meander Corner No. 3 common to Sections 23 & 26, T28 R22.

- Original government surveyors intersected left bank of Mississippi river and set a post at meander corner. Recorded two bearing trees:

 Willow 14 inches in diameter bears S 15° 00° W 53 links

 Willow 16 inches in diameter bears N 49° 00° W 40 links
- July September, F.J. Armstrong, Civil Engineer, surveyed part of Sec. 26
 T28 R22. His plat of survey map shows symbol at Meander Corner #3.
- August and September, Dakota County Surveyor Bernard Larson traversed Sections 23 and 26, T28 R22 in conjunction with several sections in South St. Paul of Dakota County. The position established for the witness to Meander Corner #3 was based upon resurvey measurements along the North line of Section 26, old survey notes and records and cousultation with P.A. Johnson, Washington County Surveyor. Dakota County survey crew set a ½" iron pipe at the computed position of the Witness to M.C. #3.
- September 13, Washington County survey crew replaced the ½" iron pipe set by Dakota County with a Washington County cast iron monument.
