RE: 1253-1257 Juno Avenue Adjustment of Common Boundary – Final Approval (amended)
Zoning File #19-033-123

Dear Mr. Limback:

The proposed adjustment of common boundary between 1253 Juno Avenue (PIN 10-28-23-42-0022) and 1257 Juno Avenue (PIN 10-28-23-42-0228) is hereby approved for compliance with the City of Saint Paul's subdivision regulations.

The enclosed stamped and signed survey as approved by the Planning Administrator is your record of the adjustment of common boundary approval by the City of Saint Paul, which is required in order to record an adjustment of common boundary. It is the responsibility of the property owner to record the adjustment of common boundary with Ramsey County.

This approval by the Planning Administrator will expire two years from the date of this letter if you have not yet recorded the proposed adjustment of common boundary, unless the Planning Administrator (at your request) has granted an extension not to exceed one year as provided in Legislative Code § 61.105. Any interested party may appeal this decision by the Planning Administrator to the Planning Commission within ten days as provided in § 61.701.

Call me at 651-266-6583 if you have any questions.

Sincerely,

Paul Dubruiel, on behalf of the Planning Administrator
