

Before me personally appeared Charles Murray who says that he is a Civil engineer and Land surveyor, registered as such under the Laws of the state of Minnesota and that on the 18th day of July 1942 he surveyed the property known as the south 42 feet of Lot 56 Union Park, more particularly described as follows: Commencing at an Iron monument at the southwest corner of said Lot 56, thence East on said south line 174.83 feet to an alley, thence North at an angle of 90° with said south line a distance of 42.00 feet, thence West parallel with the south line of Lot 56 - 181.10 feet to the easterly line of Dewey St, thence southeasterly on said easterly line 42.50 feet to the place of beginning, and that the above plat is a correct representation of such survey and correctly shows the location of the residence known as 398 Dewey St. occupying the premises and of the Garage and fence adjacent to the south line of Lot 56.
