tract adjoining and Northeasterly of the first above described strip and Northerly of a line run parallel with and distant 100 feet Southerly of the Northern Pacific Railway Company's main track centerline.

Surveyors Note:
Highway fence, shop South line appears to be parallel right angles to Section line rather than parallel to Ry's line thereof.
Also surveying from the North line of Section 8 per Hwy. R/W map as shown agrees with fencing and monumentation along 35W R/W, but this varies a small amount from computed data from East qtr. corner per Hwy. description.
