

**THE DEPARTMENT OF PUBLIC WORKS
OF THE
CITY OF ST. PAUL**

INTER-OFFICE COMMUNICATION

To: Don Ernster
From: Jack Davis
Date: June 26, 1972
Subj: W. 7th Renewal

Walt Hurtley and myself have discussed the future work in W. 7th Renewal with Dick Wheeler. In the attached letter from Housing you will note that any Engineering spent in W. 7th Renewal may or may not be reimbursed from H.R.A. Therefore, Dick feels that surveys in the area should be limited at this time to 2 or 3 crews for a duration of 2 weeks.

I will program W. 7th for 1973 and give you a "Request for Survey."
