Whereas, upon petition of six legal voters owning real estate or occupying real estate under the homestead or pre-emption laws of the United States or under contract from the State of Minnesota within one mile of the road proposed in said petition to be laid out, copies of said petition having been first duly posted in three of the most public places in said town, at least 30 days before any action was had in relation thereto, proof of posting was duly shown to us by affidavit, in which said proposed new road is set forth and described in said petition as follows:

Beginning at the $\frac{1}{4}$ corners at the center of Section 11, then running due East on the $\frac{1}{4}$ line to the $\frac{1}{4}$ $\frac{1}{4}$ corners of the Southwest corner of $SE\frac{1}{4}$ of the $NE\frac{1}{4}$ of Section 11, being a continuation of the road running from said $\frac{1}{4}$ $\frac{1}{4}$ corners East on the $\frac{1}{4}$ line to East side of said town.

And whereas, upon receiving said petition we did within 30 days thereafter make out a notice and fix therein a time and place at which we would meet and decide upon such application, to-wit: on the 9th day of July, 1892, and causing copies of said notice to be posted in three public places in said town at least 10 days previous to said meeting and having met at such time as above named in said notice and being satisfied that the applicants had at least 10 days previous to said time caused said notice of time of hearing to be given to all the occupants of the land through which such highway might pass by serving the same personally or by copy left at the usual place of abode of each of said occupants proof of which was shown by affidavit, we did proceed to examine personally such highway and hear any and all reasons for and against laying out the same and being of the opinion that such laying out was necessary and proper and that the public interest would be promoted thereby, we granted the prayer of said petitioners and determined to lay out said road, the description of which as so laid out is as follows: Beginning at the $\frac{1}{4}$ corners at the center of Section 11, then running due East on the $\frac{1}{4}$ line to the $\frac{1}{4}$ $\frac{1}{4}$ corners at the SW corner of $SE\frac{1}{4}$ of the $NE\frac{1}{4}$ of Section 11, being a continuation of the road running from said $\frac{1}{4}$ $\frac{1}{4}$ corners East on the $\frac{1}{4}$ line to East side of said town.

It is therefore ordered and determined that a road be and the same is hereby laid out and established according to the description last aforesaid and it is hereby declared to be a public highway 4 rods wide the description above given being the center of said road.
