Dated Nov. 3, 1873.

Chas. N. Boyle, Surveyor.

Whereas, Upon the petition in writing of six (6) legal voters residing within one (1) mile of the route hereinafter described for a public highway a copy of their petition having been first duly posted and due notice having been given by petitioners to occupants of the land through which such highway would pass as required by law, we the supervisors of said town fixed upon a time and place when and where we would meet to hear any reasons for or against laying out the same, and having caused written notices thereof to be posted up in three (3) public places, near the lines of said road, ten (10) days previous to the time of such meeting and having heard such as were offered for or against the laying out said road and having personally examined the route proposed in said petition for a road on the 16th day of July, 1873, viz:

Commencing on the town line between New Canada and Rose at the SE. corner of section one (1) thence running west as near as practicable on the section line to the SE. corner of section five (5) there to connect with Town Road running west on section line to the town line between Rose and W. Anthony and being of opinion that such laying out is necessary and proper and that the public interests would be promoted thereby and having granted the prayer of said petitioners and determined to lay out said road we did on the 5th day of August, 1873 cause a survey thereof to be made by a competent surveyor who made report to us as follows:
