Board of County Commissioners

June 15, 1891

The following road order was presented and adopted at a meeting of the Board of County Commissioners of Ramsey County, held June 15, 1891, a copy of the report of the committee appointed by us at our last session to examine the road hereinafter named having been duly returned, by which said report it appears that the said committee met at the time and place designated in our order of appointment and examined the highway proposed to be located, viz:

Beginning at the quarter section corner on south line of section 5, Twp. 29, Range 22, and running thence North through the centers of said section five (5) and section thirty-two (32) and section twenty-nine (29), Twp. thirty (30), Range twenty-two (22), to the SE corner of the SW $\frac{1}{4}$  of the SW $\frac{1}{4}$  of section twenty-nine, Twp. thirty (30) Range twenty-two (22) all in said Ramsey County and state of Minnesota and recommended that the prayers of the petitioners for the location of said highway be granted, and a majority of the Board of County Commissioners being of the opinion that the public interest would be promoted by the locating of said Highway, and that the locating of said road would be of sufficient advantage to the County to warrant the paying of the damages hereinafter assessed, we do hereby order and determine that the prayers of said petitioners be granted, and that a highway be and is hereby located according to the description above given, which is hereby declared to be a public highway and the auditor is hereby directed to notify the supervisors of the several towns through which such highway is located, that they cause so much of said highway as lies in their respective towns to be opened without delay.

BOARD OF COUNTY COMMISSIONERS

Christian Rogalla

Petition for damages for opening highway

STATE OF MINNESOTA )  
 ) SS.

COUNTY OF RAMSEY )

To the Board of County Commissioners of said County:

Your petitioner Christian Rogalla respectfully alleges:

That heretofore on April 6th, 1891 and within three (3) years of the date of making this application, one A.K. Barnum and others filed with the County Auditor of said County their petition for the laying out and opening of a highway four (4) rods wide, commencing at the quarter ( $\frac{1}{4}$ ) section corner at the middle of the south line of section five (5), township twenty-nine (29), range twenty-two (22), and running thence north through the centers of said section five (5) and sections thirty-two (32) and twenty-nine (29) in township thirty (30), range twenty-two (22), to the NE corner of the SE  $\frac{1}{4}$  of SW  $\frac{1}{4}$  of section 29, same town and range, all in said County.

That thereafter a committee of your body was appointed to examine on May 12th, 1891 such proposed highway.

That thereafter on June 1st, 1891 said committee reported recommending that the prayer of said petition for the location of said highway be granted.

That thereafter and on June 15th, 1891 the said Board of Commissioners did determine the prayer of said petition and did declare the same granted and made a final order whereby a highway was located and established according to the description contained in said petition above and also assessed damages sustained by reason of the location of said highway to the lands over which the same passes and to the owners thereof as far as known.

And of all said proceedings your petitioner had no notice or knowledge until long after the making and entering of said final order in this matter.

That said Board of Commissioners neither assessed nor allowed any damages to your petitioner on account of the location of said highway nor has he given any release of damages on account of the location thereof.

Your petitioner further alleges that he is not named in said petition as an owner of lands through which said road may pass nor is he named in the final order establishing said highway as a person over whose land such road passess.

That ever since the 9th day of <sup>m</sup>March, 1889, your petitioner has been the owner in fee simple and of record of the following described land in said county over which said highway passes, viz:

Commencing at a point on the east line of said section 32 - 301.25 feet south of the East quarter ( $\frac{1}{4}$ ) corner of said section, thence due west parallel with the section line 2736.5 feet to center of St. Paul & White Bear Lake Road, thence southwesterly on center of said road 140 feet; thence East parallel with line first described 2817.7 feet; thence north 115 feet to place of beginning containing about 7.35 acres.

That by the location of said highway 7590 square feet of said land is taken and appropriated and about the same amount of said land is separated and detached from the remainder thereof and thus rendered of little or no value lying between two highways.

That said land been used for residence and market garden, has been fenced, enriched and brought to an exceedingly high state of cultivation and is very valuable.

That upon said land and on the portion upon which said highway is located is situated your petitioner's well and portions of his house and barn and it thus becomes necessary to remove each and all of his said buildings and well and erect new fences. That by reason of the location of said highway your petitioner is damaged in the sum of \$600.00.

Wherefore your petitioner prays this Board to assess and allow him damages therefore in that sum.
