ROAD ORDER FOR COUNTY ROAD

The following order was adopted and confirmed by the County Commissioners

State of Minnesota } ss.
County of Ramsey

At a meeting of the Board of County Commissioners of said County, held March 4th, 1876, the report of the Committee appointed by us at our last session to examine the road hereinafter named, have reported that they met at the time and place designated in our order of appointment and examined the highway proposed to be relocated viz:

Beginning at the southwest corner of section 25, Cottage Homes in the Town of Hope, running from thence north on the section line between sections 23, 24, 13 and 14 and as near as practicable between sections 11 and 12, thence west on half section line half-mile, thence north on half section line as near as practicable through the Town of Hope to the town line of Mounds View thence north on the quarter section line of sections 35 and 26 to or near the center of section 23 to the bridge from thence north to a tree, from thence west to the section line from thence north on the section line between section 22 and 23 to the intersection of the Manquin road in the Town of Mounds View, And recommend that the prayer of the petitioners for said highway be granted.

It is therefore ordered and determined that the prayer of the petitioners be granted, and that a highway be, and is hereby relocated according to the description above given, which is hereby declared to be a public highway, and the Auditor is hereby directed to notify the Supervisors of the several towns through which such road is relocated that they cause so much of said highway as lies in their respective towns to be opened without delay.

We have assessed the damages sustained by the following persons by reason of the laying out etc. of said highway across their lands as follows:
