S. & M. R. R. and having, before determining to lay out said road, fixed upon a time and place when and where we would meet to hear any reasons for or against the laying out of the same, and having caused written notices thereof to be posted up in three public places near the line of said road ten days previous to the time of such meeting, and having met at the time and place appointed for hearing such reasons, and having heard such as were offered, and being of the opinion that such laying out of the said road is necessary and proper, and that the public interest would be promoted thereby, and having granted the prayer of said petitioners, and determined to lay out the said road, we did, on the second day of August A.D. 1872, cause a survey thereof to be made by a competent surveyor, who made report to us, as follows, to-wit:
