Designating County Road

Project File #117

August 17, 1935

In further consideration of the application of the Town Board of New Canada in regard to the County taking over the maintenance of certain highway, dated July 2, and which had previously been referred by the Board to the County Surveyor for investigation and recommendation, County Surveyor Schulz reported that he had made a careful investigation of this proposition and his Department is willing to take up the maintenance of these roads, and so recommend to the County Board.

After a discussion of this request and also Mr. Schulz, Commissioner Swan moved, seconded by Commissioner Moeller that on and after January 1, 1936 that the following roads located in New Canada Township be designated as County Roads:

1. The East County Line from Highwood Avenue to Carver Avenue.
2. Carver Avenue from the East County Line to the City Limits of St. Paul.
3. Cortland Street from County Road A-2 to Larpenteur Avenue.

Adopted by the following vote: Ayes: Moeller, Peter, Rohland, Schmidt, Swan and Gehan. Nays: Carr, Commissioner Carr explained his vote "NO" by stating that he was opposed to the additional expense which the County would incur in maintaining these roads.

Board of County Commissioners
St. Paul, Minnesota

Gentlemen:

At the meeting held August 19th you requested the following information:

1. Mileage of County highways taken over as trunk highway from 1930 to date.
2. The amount of Township roads taken over during the same period and made County Roads.
3. The amount of road now requested to be taken over as County Road by New Canada Township.

In 1933 the State of Minnesota took over 50.6 miles of County road as trunk highway. During the same period, or about the same time, Ramsey County took over Boch Street which at that time was a Township Road, between Frost Avenue and County Road "D", a distance of 2.5 miles, making a net reduction in Ramsey County maintained highway of 48.1 miles.

At this time New Canada Township requests that Cortland Street, known as Township Road N-4, and that portion of East County Line south of Highwood Avenue to Carver Avenue, known as N-15, and Carver Avenue from East County Line to the West City Limits, known as N-21, be taken over by Ramsey County as County Highways, making a total of two (2) miles.

I trust this gives you the desired information, Should you desire any further data, I shall be pleased to submit the same to you.

Yours very truly,
Emil H. Schulz, County Surveyor

On motion of Commissioner Peter, seconded by Commissioner Swan the report was ordered received and placed on file, and same carried by the affirmative vote of all members present.
