COUNTY COMMISSIONERS' ROAD ORDER

STATE OF MINNESOTA)
COUNTY OF RAMSEY) SS.

At a meeting of the Board of County Commissioners of said County held January 17th, 1888, a copy of the report of the committee appointed by us at a previous session to examine the road hereinafter named, having been duly returned, by which said report it appears that the said committee met at the time and place designated in our order of appointment and examined the highway proposed to be vacated, viz:

Beginning at a point at the North and South line through the center of Sec. 20, T. 30, R. 23, in said County of Ramsey which point is 5.24 ch. N. of $\frac{1}{4}$ post on the S. line of said Sec. 20, thence running N. 2.02 ch.; thence N. 46° 5', E. 12.27 ch.; thence N. 15° 50' E. 6.42 ch.; thence N. 14° 41' W. 4.88 ch.; thence N. 36° 23' W. 10.65 ch.; thence N. 11° 15' E. 4.61 ch. to the E. & W. line running through the center of said Sec. 20, and recommended that the prayer of the petitioners for the vacation of said highway be granted; and a majority of the Board of County Commissioners being of the opinion that the public interest would be promoted by the vacation of said highway and that the vacation of said road would be of sufficient advantage to the County to warrant the paying of damages hereinafter assessed, we do hereby order and determine that the prayer of said petitioners be granted, and that a highway be and is hereby vacated according to the description above given, which is hereby declared to be a public highway, and the Auditor is hereby directed to notify the Supervisors of the several towns through which such highway is vacated, that they cause so much of said highway as lies in their respective towns to be vacated without delay.

We have assessed the damages sustained by reason of the vacation of said road to the lands over which the same passes and to the owners thereof, being equal to the benefits thereon.

Given under our hands this 17th day of January A.D. 1888.
