Whereas, upon the petition of six (6) legal voters owning real estate within one (1) mile of the road proposed for in said petition to be laid out, copies of said petition having been first duly posted up in three (3) of the most public places of said town at least twenty (20) days before any action was had in relation thereto, proof of which posting was shown to us by affidavit, which said proposed road is set forth and described in said petition as follows, viz:

Beginning at a point on section line between Sections 2 and 3, Township 29, Range 23, where the town road through S.W. $\frac{1}{4}$ of Section 2 intersects the St. Paul, Lake Josephine and Mounds View County Road running along said section line between Sections 2 and 3, said point of intersection being about 636 ft. north of S.W. corner of Section 2, Township 29, Range 23, thence due West $\frac{1}{2}$ mile to the $\frac{1}{4}$ section line of Section 3, Township 29, Range 23, thence South along said $\frac{1}{4}$ section line to the $\frac{1}{4}$ post between Sections 3 and 10, thence West on the section line between Sections 3 and 10, 4 and 9, 5 and 8, to a point of ending on the West line of the town of Rose, being at the S.W. corner of Section 5, Township 29, Range 23.

And Whereas, Upon receiving said petition, we did within thirty (30) days thereafter make out a notice and fix therein a time and place at which we would meet, and decide upon such application, to-wit:

On the 3rd day of August A.D. 1885, at Hennepin and Ramsey County line, causing copies of such notice to be posted up in three (3) public places in said town at least ten days previous to such time and place of meeting, and having met at such time and place as above named in said notice and being satisfied that the applicant had at least ten days previous to said time caused said notice of time and place of hearing to be given to all the occupants of the land through which such highway might pass by serving the same personally or by copy left at the usual place of abode of each of said occupants, proof of which was shown to us by affidavit, we proceeded to examine personally such highway and hear any and all reasons for or against the laying out the same, and being of the opinion that the public interest would be promoted thereby, we granted the prayer of said petitioners and determined to lay out said road, the description of which as so laid out is as follows:

Beginning at a point on the section line between Sections 2 and 3, Township 29, Range 23, where the town road through the S.W. $\frac{1}{4}$ of Section 2 intersects the St. Paul, Lake Josephine and Mounds View County Road running along said Section line between Sections 2 and 3, said point of intersection being about 636 ft. North of S.W. corner of Section 2, Township 29, Range 23, thence due West $\frac{1}{2}$ mile to the $\frac{1}{4}$ section line of Section 3, Township 29, Range 23, thence South along said $\frac{1}{4}$ section line to the $\frac{1}{4}$ post between Sections 3 and 10, thence West on the section line between Sections 3 and 10 on present road between 4 and 9, on present road between 5 and 8, to a point of ending on the West line of the Town of Rose being at the S.W. corner of Section 5, Township 29, Range 23.
