And Whereas, Upon receiving said petition we did, within thirty days thereafter, make out a notice and fix therein a time and place at which we would meet and decide upon such application, to-wit: on the 14th day of March A.D. 1927, at 10 o'clock in the forenoon at Highwood Ave., causing copies of such notice to be posted in three public places in said Town, at least ten days previous to such meeting; and having met at such time and place as above named in said notice, and being satisfied that the applicant had, at least ten days previous to said time, caused said notice of time and place of hearing to be given to all the occupants of the land through which such highway might pass, by serving the same personally or by copy left at the usual place of abode of each of said occupants, proof of which was shown by affidavit, we proceeded to examine personally such highway, and heard any and all reasons for or against the laying out of road, and being of opinion that such laying out was necessary and proper, and that the public interest would be promoted thereby, we granted the prayer of said petitioners and determined to establish said road, and caused a survey thereof to be made according to the report and plat herewith accompanying, the description of which as so ----- is as follows, to-wit:

Beginning at a point on the west line of Section 13, Township 28, Range 22, where the same is intersected by the center of Highwood Ave. being the quarter section corner on the west side of said section running thence south on the section line between Sections 13 and 14 and between Sections 23 and 24 of said Township 28, Range 22 to the intersection of the center line of the Polander Road, so-called, Carver Avenue.

The above being a description of the center line of the proposed road and the total length to be 3/4 of a mile more or less.
