And Whereas, Upon receiving said petition we did within thirty days thereafter, make out a notice and fix therein a time and place at which we would meet and decide upon such application, to-wit: on the 23rd day of August, 1886, at three o'clock in the afternoon at the house of Fred Maximer in said Village, causing copies of such notice to be posted in three public places of said Town and Village at least ten days previous to such meeting, and having met at such time and place as above named in said notice, and being satisfied that the applicant had at least ten days previous to said time caused such notice of time and place of hearing to be given to all the occupants of the land through which such highway might pass by serving the same personally or by copy left at the usual place of abode of each of such occupants, proof of which was shown by affidavit, we proceeded to examine personally such highway and heard any and all reasons for or against laying out the same, and being of the opinion that such laying out was necessary and proper and that the public interests would be promoted thereby, we granted the prayer of said petitioners and determined to lay out said road.

It is Therefore Ordered and Determined, that a road be, and the same is hereby laid out and established according to the description last aforesaid, and it is hereby declared to be a public highway four rods wide, the said description above given being the center of said road.
