Board of County Commissioners

June 15, 1891
66 feet wide

The following road order was presented and adopted at a meeting of the Board of County Commissioners of Ramsey County, held June 15, 1891, a copy of the report of the committee appointed by us at our last session to examine the road hereinafter named having been duly returned, by which said report it appears that the said committee met at the time and place designated in our order of appointment and examined the highway proposed to be located, viz:

Beginning at the quarter section corner on south line of section 5, Township 29, Range 22, and running thence North through the centers of said section five (5) and section thirty-two (32) and section twenty-nine (29), Township thirty (30), Range twenty-two (22) to the NE corner of the SE $\frac{1}{4}$ of the SW $\frac{1}{4}$ of section twenty-nine (29), Township thirty (30), Range twenty-two (22) all in said Ramsey County and State of Minnesota and recommended that the prayers of the petitioners for the location of said highway be granted, and a majority of the Board of County Commissioners being of the opinion that the public interest would be promoted by the locating of said highway, and that the locating of said road would be of sufficient advantage to the County to warrant the paying of the damages hereinafter assessed, we do hereby order and determine that the prayers of said petitioners be granted, and that a highway be and is hereby located according to the description above given, which is hereby declared to be a public highway and the Auditor is hereby directed to notify the supervisors of the several towns through which such highway is located, that they cause so much of said highway as lies in their respective towns to be opened without delay.

We have assessed the damages sustained by reason of location of said road to lands over which the same passes and to the owners, as far as known, thereof, as follows:
