

27-13

MEMORANDUM

*To. Frank Kvidera*

TO: DEANE R. ANKLAN  
FROM: FRANK KVIDERA  
DATE: DECEMBER 1, 1976

SUBJECT: Construction Notes

I have passed on to Dave Pearson of the Department of Transportation, Highways District No. 9, four (4) books of Construction Notes of Project 27-13, State Highway No. 49, which was totally in Anoka County.

Word has been received back already that this was a great find and that the alignment checks.

*The card in the card catalogue of notes shows this transfer as well as a copy of this memorandum is in the file in place of the 4 books.*

did we have any record of  
these so they can be traced  
if necessary?
