July 28, 1981
 Ramsey Co. Meter Dept. constructed a manhole 50 ft south of
 Manhole 17 over the existing 24" Storm Sewer.
 This new manhole is shown as M.H. 17A.
 Top of M.H. is 8.5 ft. above top of 24" Storm Sewer.
 Placed 18" x 18" C.M.P. from M.H. 17B (not previously shown) to M.H. 17A.
 Flow Line = 6.5 ft. below top of M.H. 17A.
